Raji

I presume your comment is about the USOR Superfund Site and not South Cavalcade site. If that is indeed the case, we will start the meeting once you get here on the 10th. Lunch for those attendees that are here will be starting about 12.

Happy to coordinate with David. Quiet honestly we will start the meeting once you get here.

~Brent

Brent,

I have been communicating with Amanda Kindt of the Texas Department of State Health Services (DSHS). DSHS and ATSDR staff distributed 400 fliers containing information about the site and conducted interviews with 70 residents. I had invited them to our meeting and Amanda is not available next week and instead of her David Rivera from DSHS will also join us at ENVIRON for the meeting and later visit the site with us.

Brent, please work out details with David. Is the meeting scheduled for 12:30 or 1 pm? Please confirm and I will plan to come straight to the meeting. Thanks.

Thanks Raji

We look forward to seeing you, Terry Andrews and Adam on the 10th.

We will have lunch brought in about noon followed by the meeting.

WE can tour the site around 2:30PM and it will take approximately 2+ hours

Since the Oct 9th meeting with HCTRA is confirmed, the USOR meeting on 10th afternoon will work out. I will plan a flight back around that.
Thanks.

Raji

I just talked to Adam and he confirmed he is good with October 10th in the afternoon, so it looks like we are good with the schedule as you proposed below for USOR.

Terry Andrews says he will also be in attendance on USOR. Tricia is double checking with Mike from HCTRA to confirm HCTRA's attendance that day as well.

So 90% complete to all having all confirmations necessary

Stand by as we have a call/email into HCTRA

Brent

Sorry it has taken me some time to respond. Have been trying to iron

out various logistics. My original purpose of coming to Houston was to oversee site work at the South Cavalcade site. However, since it also works out to have the HCTRA meeting at that time tried to work my schedule around that. Also trying to figure out how best to incorporate the USOR visit. Here is what I propose and let me know if this works.

- Tues Oct 9th morning - HCTRA meeting at ENVIRON office
- Tues Oct 9th afternoon - South Cavalcade site work
- Wed Oct 10th morning - South Cavalcade site work
- Wed Oct 10th afternoon - USOR meeting/site visit

BTW Fay Duke (TCEQ) is also going to be coming for the South Cavalcade site work so she indicated she can also come for the HCTRA meeting. Tues Oct 9th morning works for her also. She will then head to S. Cavalcade.

Thanks.

I am working with Tricia on the HCTRA projects that include both the North and South Cavalcade projects. We are looking forward to seeing

you here in our office one of those two days which ever works best for you. Also, we were trying to see if we can add a day to your schedule a visit with Adam Adams on either October 9th or 10th for an introductory Technical Meeting for US Oil Recovery. ENVIRON is the consultant on that project as well.

WE would really appreciate this opportunity to introduce you to our Technical Team, and review the Removal actions to date and the near future and take a tour of the site/facility. TCEQ (Terry Andrews) has also said he can be here either of those 2 dates which ever works for you.

Could you please call me when you get a minute and we can discuss this great opportunity for all projects involved.

Best Regards

~Brent
